Jamie Greenberg's Intro

Meeting Planner: We ask that you use the following introduction – as is – when introducing Jamie Greenberg at your event.

Wouldn't it be nice if we could live who we really are and capitalize on our uniqueness and purpose?

How would you like some insights on how to stop living inside your fears and old stinky paradigms?

Are you ready to live the life you came into this body to live?

Our speaker today is globally recognized as a Personal Branding Innovator and Business Development Specialist. Jamie Greenberg is the author of *The 4 Truths to Creating A Brand YOU Way* and the creator of the *A Brand YOU Way - Conscious Business System* designed specifically for the way entrepreneurs and thought leaders are wired.

Often referred to as "The Originologist" for his uncanny ability to unearth, develop and monetize the originality and uniqueness in others, Jamie's goal is for you to leave here today with ideas you can implement immediately to leverage your personal brand by unleashing the full expression of your originality!

Please join me in welcoming Jamie Greenberg's, one and only "A Brand You Way Showinar."
